# Estate Planning Beyond the Will

**RSVP  
Only**

## **Special Guest: Estate Planning Lawyer Joanna Haban**

You're invited to an informative seminar to learn about the important financial information not available at the banks - And how it will significantly affect you and your loved ones!

We will show you a unique investment vehicle that can help grow and protect your savings from current and future market uncertainty. Our special guest Joanna Haban will also be sharing her expertise on how a properly set up will can preserve your assets, minimize taxes and maximize wealth.

Discover how both Guaranteed Investment Funds and a properly set up will can offer many levels of security and protection and when it comes to passing on your wealth, GIFs are powerful estate planning tool. Find out how GIFs offer distinct advantages over traditional investments, including **Principal Protection, Creditor Protection and Avoiding Probate Fees.**
